CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

All the programs in the college are affiliated to Acharya Nagarjuna University with choice-based credit system. Timetable committee under the supervision of Principal and a senior faculty member prepares time table for academic and co-curricular activities. The faculty of different Departments strive for effective curriculum delivery through preparation of teaching plans as per expectations related to the course. Sciences, Commerce and Arts students in the institution have opportunity to observe, analyze, and gain knowledge on various aspects. Physics, Chemistry, and Computer Science Departments have well equipped laboratories. Computer labs for Computer Science and for B.Sc. (MPC), B.Com and B.A. are available. The College has ICT facility in the seminar Hall, Physics lab, and Computer Science lab and in Arts & Commerce department. The College has a very good library with 14,236 books for competitive Examinations and PG entrance examinations. A Computer center with reading room is provided in the hostel with free Wi-Fi and internet facility to use it beyond the College hours. Students are encouraged to participate in State level and National level competitions in games and sports. Gymnasium facility is provided in the College Campus. A committee headed by Principal prepares Academic Calendar keeping in view the syllabus and time frame for its completion. The academic calendar includes curricular and co-curricular activities. A continuous evaluation is carried out to assess the performance by conducting assignments, tests and pre final examinations. Regular student seminars and field trips are conducted to improve the skills of the students. Faculty members are very much focused about to complete their syllabus in time. Students are encouraged to interact with teachers in the classroom and also beyond class room hours for clearing of doubts in their subject. Extra hours are devoted for taking remedial classes for the slow learners. Apart from regular syllabus additional topics are taught from the point of view of PG entrance examinations. High achievers are guided in their preparation for entrance examinations for higher studies. Supervised study is conducted regularly in the evening to cater to the needs of the students. Regular meetings of the departments with Principal enable to monitor the progress of the delivery of the curriculum and necessary corrections are initiated. The faculty members participate in regular evaluation process conducted by the University. Some of the Teachers of this institution are members in Board of Studies. The faculty members regularly participate in the conduct of university

examinations as university observers. Faculty of this College also participates in the evaluation process conducted by the University.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Effective mentoring system is available in the institution. Principal of this institution plays a pivotal role in the implementation of mentoring system. He is not only mentor to the students but also to the staff. Principal gives standing instructions to all Heads of the departments to monitor the mentoring system in all aspects of the institution. Principal also knows very well the impact and outcome of the mentoring system hence insists all the members of staff in the productive implementation of mentoring system. Our motto in implementing the mentoring system is moulding the students as well disciplined and responsible citizens of the mother land. Assistant to the Principal would monitor the implementation of mentoring system in all academic aspects of the college including conducting morning assembly, evening assembly, during the instructional hours 9.30 AM to 12.30 PM and 2 PM to 5 PM and in the supervised study from 6 PM to 7.30 PM. ATP also keeps in mind the importance of mentoring while conducting all internal examinations with the help of examination branch, organizing Popular Lecture Programmes by the experts from various fields, conducting National and regional functions, club activities in the institution. All the Heads of the Departments (course coordinators) would supervise proper implementation of mentoring system with the help of respective faculty members. Course coordinators request the faculty to focus on learning objectives and course outcomes and check the students in regular intervals whether they are moving towards the desired goal in the right direction or not. Faculty identifies the goals of the students, extending good support and encouragement to each student to reach their goals successfully. Faculty trains the students to manage time and stress during the process of achieving their goals. Faculty also tries to mould the students to enjoy the journey while reaching the goal. Unique feature of this institution is "Loco parent system". All the faculty members act as Loco parents. Nearly 15 students are allotted to each Loco parent on the joining day of the college itself. Bio-data sheets will be given to each Loco-ward to furnish his objectives, goals, aptitude, planning including his personal information such as parent information, family particulars etc., Loco parent plays a dominant role as a mentor to mould his Loco-ward as a complete person in all aspects. He looks after the performance of Loco-ward in education, general behavior, health, hygiene and personal problems. Deputy Warden plays a crucial role in mentoring system relating to hostel activities. He tries to mentor the students not only in dining hall but in general discipline, behavioral aspects, understanding the co students, extending help to co students etc.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The college has a transparent and robust evaluation process in terms of frequency and mode. In order to ensure transparency in internal assessment, the system of internal assessment is communicated to the students well in advance. The Principal holds meetings with the faculties and directs them to ensure effective implementation of the evaluation process. At the entry level, admissions are given purely on merit basis and the lists of merit students are displayed on Notice board. Students who are admitted for the concerned course are assessed continuously through various evaluation processes at college. Continuous evaluation is made through Group Discussion, Slip Tests, Assignments Submission, Field trips, Survey and Seminars Presentation. Slip tests are conducted regularly in each unit. The weightage for the slip tests varies as per the concerned faculty. The performance of the students is displayed on the Notice board and communicated to the students. Personal guidance is given to the poor performing students after their assessment. Students appearing for Second /third year are asked to deliver the seminars in the concerned subjects. Topics are given by their teachers to the students to prepare for presentation. For transparent and robust for internal assessment, the following mechanisms are conducted • Internal Examination Committee. • Question Paper Setting. • Conduct of Examination • Result display • Interaction with students regarding their internal assessment. • The method of internal assessment helps the teachers to evaluate the students more appropriately. Due to internal assessment, the interest of the student towards learning and attending the classes has been also increased. It has created the interest among the students to take active participation in various co-curricular and extra-curricular activities for their overall personality development. The seminar presentation improves the communication skills of the students which is very essential to face the interviews. Regular review meetings are conducted by the Principal for monitoring the effective implementation of Academic Calendar.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Academic calendar is prepared ever year by the committee headed by the Principal in accordance with the calendar of events issued by the University as this is an affiliated College. The institution follows strictly the guidelines issued by the University pertaining to admissions, Commencement of Classes, midterm examinations, end semester examinations and vacation. We have conducted internal examinations in addition to the midterm examinations to our students to excel in the University examinations. Regarding admissions into first year graduation courses, the College strictly adheres to the rules of the University including the state reservation policy. The institution sends the master list of newly admitted I year students to the University immediately after the last admission date. It also submits the list of transferred candidates immediately after the last date for transferred candidates. The College conducts the practical examinations and completes project works in different subjects as per the schedule given by the University. Apart from the events in the academic calendar, the College celebrates all the important functions such as Independence Day, Republic Day, Krishna Asthmi, Vinayaka Chavithi, Semi Christmas, birth anniversary of Vivekananda Swami etc. Choice Based Credit System was implemented for all the Three Years per the guidelines of the University. Yoga Day was celebrated NCC cadets on 21.06.2017. NSS Special Camp was conducted at Brahamanadapuram Thanda on 22.12.2017 and 42 volunteers participated.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The two practices of decentralization and participative management have committees, one with lecturers, and the other with students. 1) Formation of committees with faculty The following are the committees formed with faculty as the members to organize various curricular, co-curricular and other activities. Academic Examination committee, Discipline Anti-ragging committee, Hostel, Cultural, Special fee Maintenance committees. Academic Committee is would organizing various activities like preparation of annual calendar of events, seminars, workshops, quiz programmes etc. Discipline Anti-ragging Committee takes up the issues relating to students' indiscipline in any form like late coming to College, creating any sort of unrest in the campus etc. and suggests solutions to resolve the issues. Anti-ragging Committee involves prevention of all sorts of ragging activities in the campus. Hostel Committee assists in providing required facilities like accommodation, menu in the mess, monthly dinner in the mess, serving quality and hygienic food to the students, and overall discipline in the hostel premises, preparing Train concession forms to the students for the travel at concessional rates during vacations. Cultural Committee takes lead to organize various cultural programmes on Gandhi Jayanthi, A.P. formation day, Women's day, Fresher's day, Farewell party and on annual college day celebrations. 2) Formation of student Forum The college has student advisory body which helps the students to develop their leadership qualities and over all personality development. By conducting the student forum elections, a free environment is developed to inculcate leadership qualities at various levels. The Students' forum is the representative body of the entire student community of the college. It is the interface between the students and the administration and works with both entities to identify and address concerns that affect the students directly and indirectly. The Student forum represents the interests of the students and participates in discussions and decisions that affect the student community. The Student forum aims at the all-round development of students and organizes several extra-curricular events throughout the year in association with the college committees and the various activity clubs in the college. It also coordinates the student volunteer effort for Institute events that are organized periodically. It also provides students an opportunity to be a part of the activity, motivated by a sense of social

responsibility and aiming to give something back to society. Total ten students are elected as secretaries every year, by all the students in the college by elections, which are conducted by election committee. In that ten, five are secretaries from final year students, five are deputy secretaries from second year students. (1) Academic secretary : All issues related to academic matters. (2) Mess secretary : All issues related to mess, hostel dormitories, discipline in dining hall. (3) Cultural secretary : Conducting National events and cultural activities throughout the year. 6.1.2 – Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	All the programmes in the college are affiliated to Acharya Nagarjuna University with Choice-Based Credit System. A time table is prepared which include, both curricular and co-curricular activities. Annual teaching plans are prepared by the faculty. An Academic calendar is prepared by the committee headed by the Principal in accordance with the calendar of events issued by the University. Extra hours are devoted for remedial classes for low achievers. The students are encouraged to study additional topics which help them to attempt competitive examinations and PG entrance examinations. As the institution is Residential, Supervised Study is conducted during. The evening to cater to the needs of the students. The College has well equipped laboratories for Physics, Chemistry and Computer Science. It has a separate Computer lab for BSC (MPC), B.Com and B.A students. Some of the faculties are members in Board of Studies.
Teaching and Learning	The Principal monitors the teaching of the lecturers by the proper implementation of the academic calendar prepared by the committee. Teaching diary is maintained by every staff member which is inspected by the Principal regularly. Teachers of the institution plan field trips, arrange Popular Lecture Programmes. Students are encouraged to give seminars in the class which improve their skills. Quiz, elocution and essay writing

competitions are conducted by different departments. Interactive sessions are arranged for the students by the experts from different fields. Alumni plays a major role in guiding the students to achieve their goals. IQAC holds meetings in which the senior faculty give required suggestions for bringing about qualitative changes in the teaching and learning process.

Examination and Evaluation

At the beginning of the academic year for the newly admitted students a test is conducted in each subject to evaluate their previous knowledge. Basing on the performance the students are identified as low achievers and advanced learners. Remedial coaching is given to slow-learners, and fast learners are given extra coaching to prepare for competitive examinations and other PG entrance examinations conducted by IITs, Central University and JNU. In addition to this an internal assessment of the student is made through slip test, monthly test, quarterly, half-yearly and Pre-final examinations. The answer scripts are valued and returned to the students with necessary instructions to improve. The performance of the student is intimated to the parents regularly. The performance of the students in the Annual/Semester examinations is reviewed by the Principal.

Library, ICT and Physical Infrastructure / Instrumentation

Library is one of the main resources in the process of learning. Teacher is the primary source to student to acquire the knowledge in the subject. Then library plays a crucial role in the life of a student to gain subject knowledge in an extensive manner. One famous saying goes "When in doubt go to the library". This shows that library plays a vital role in the student's life because getting doubts while studying the subject are very natural phenomenon. Library helps to create opportunities for learning, support literacy and education. Library in the institution has more than 14,236 books relating to all under graduate courses, General knowledge books and books related to personality development. There is a unit of library in the hostel premises which is opened up to 11 pm on all days except in vacation periods and students will be benefited

a lot with this unit. Library automation is done partially with which one can access the collection easily and it saves the time of the user. The departments of Physics and Chemistry have departmental libraries, it will be useful to the students those who have passion to pursue PG courses in reputed institutions. Library in the institution has adequate infrastructural facilities.

Human Resource Management

Human resources in higher education refer all those employed in higher education institutions. It includes academic staff, administrative and supporting staff. The success of an institution depends mainly on the people it employs, on their competence, commitment and motivation to perform the tasks, goals and the conditions in which they work. Recruitment of regular staff is done by APPSC or on promotion and in case of recruiting full time staff, institution follows transparent and effective procedure and hence care is taken to fill all the Teaching Posts. Principal, as the administrative head, has the clear idea on the capabilities of each member of the institution (Teaching, Administrative and supporting staff). Basing on this, Principal assigns suitable work to the employees and extracts the same in the stipulated time in the desired form. Principal utilizes the services of the employees of the institution in judicious and amicable manner to sustain the name and fame of the institution.

Admission of Students

The admission into first year Degree courses are given to the candidate on the basis of their merit in the Common Entrance Examinations held in the first week of May every year at various centers in Andhra Pradesh and Telangana State. Candidates should pass the qualifying examination i.e. Intermediate in one attempt with not less than 50 and should have passed in the latest academic year. Relaxation is allowed in the case of SC, ST and BC students. A minimum of 25 marks on the aggregate in the entrance test is required to make the student eligible for admission. 7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

All institutional activities and programmes are geared towards the high performance of the students. To mould the students as socially responsible citizens with patriotic spirit combined with international outlook. Best Practice-1 Constant mentoring and support to students for high performance This objective is achieved through constant mentoring of students by teachers, senior students, alumni and eminent persons in various fields through Popular Lecture Programmes. The faculty and alumni of the institution always encourage the students to set higher goals by following the Principal "not failure, but low aim is crime". Constant mentoring system is much helpful in achieving the high performance, as the students can informally interact with staff beyond the class hours. ? For constant mentoring the Loco Parent System exists in the institution. This is the unique feature of this institution since its inception. 20 students are allotted to each faculty. The teacher who is taking responsibility of students is called as "Loco- parent", and students are called as "Loco-wards". The Loco-parent extends parent like care for each of his/her Loco-ward. They are always in touch with their Loco-wards and enquire about the welfare. This starts in the first year and is continued till the completion of their course. This increases the affection between Loco-wards and Loco-parent. The Loco-wards have the freedom to speak freely with loco parent regarding

career or any personal problem. Loco-parent also interacts with parents of students to discuss the progress in academics and behavior of student in the college campus. Since the students are away from their parents, Loco-parent tries to keep them away from the nostalgia. This is one of the best initiatives where the students can get parent like care from their teacher. This is the unique feature of the institution and students also feel secure and safe with their loco parent. An endearing environment is created between Loco-ward and Loco-parent. The loco-wards are under the supervision of the loco-parent. Any issue can be discussed in an amicable manner with the loco parent, issues like ragging, health, financial and other family problems are also taken care of by the loco-parent. This rapport makes the Loco-parent a real mentor. The Loco-parent resolves the issues faced the by the Loco-ward with the help of the Principal. This system helps in maintaining harmony among students and staff. Maintaining harmony among students and staff for the long term is important.

The Loco Parent is always behind the success of his/her Loco-wards. For achieving high performance: ? There is a Separate Hostel Library which allows the students to refer the books during other than the working hours of the college. All the books for competitive examinations and PG entrance examinations are available in the hostel library. In addition to this, college has Departmental Libraries to enhance the knowledge in subject concerned by providing books of reputed authors. Regular purchase of books for the library based on student and faculty demand also helps. ? A Computer Lab is attached to the Hostel library in which all computers have internet facility. Students can utilize the internet facility to refer journals and latest updates in concerned subject. ? For curriculum enrichment, faculty designed syllabus according to PG entrance syllabus. In addition to regular classes, faculty teaches entrance examination syllabus also in the classrooms. Mock entrance examinations are conducted in the institution for those students who are preparing for PG entrance. ? Popular Lecture Programmes are arranged to provide general awareness about society, career guidance, latest developments in subject area, creativity, scientific temper and leadership qualities. Institute also arranges classes for students to clarify their doubts in career guidance. ? Supervised Study is conducted daily in the evening from 6.30-7.30 pm. Under the supervision of faculty these study hours are conducted, all the students sit in their respective classrooms and study under the supervision of faculty. This helps the students to revise the concepts covered in the instructional hours. ?

PG entrance mock tests are conducted in the college. Special focus on slow learners by taking remedial classes and encouraging the advanced learners to register for certificate courses and to obtain certificates. ? Interactive method is followed in the classroom to make teaching more student centric. Experiment-based and Experiential learning is in practice - by arranging student seminars, conducting regular practical classes in the departments of Physics, Chemistry and Computer Science subjects and field trips for other subjects. Students are encouraged to give Power Power Point Presentations in the classroom. ? Institute also encourages those students who achieve high performance in academics by giving prizes and cash awards by both Alumni and Teaching Staff. ? To achieve good academic record, a continuous and comprehensive assessment takes place by conducting slip tests, monthly tests and Pre- final examinations. Best Practice-2 All-round development of students Development of leadership qualities, organizational ability, team spirit, subject knowledge, intellectual and presentation skills, self confidence, better body language, punctuality, sense of responsibility towards the Parents, Institution, Society, Nation and, the world. 1. Integration of Student Forum in college activities and hostel administration: ? Student Forum: A Student Forum is constituted in the institution to develop leadership qualities among the students. Elections are conducted to select the student forum members. This forum is constituted with five Secretaries and five Deputy Secretaries. The Student Forum is responsible for organizing the events at institution level,

representing the hostel related problems to the Principal and Deputy Warden, conducting cultural activities, health supervision among the students etc. ?

Active involvement of student forum in academic activities and hostel maintenance improves the skills in organizing the various events effectively. Integration of student forum in the academic activities improves the ability to resolve the problems raised while organizing the events in real time and helps in the smooth running of the institution. 2. Students organize quiz competitions among themselves in addition to the activities conducted by the institution in connection with National festivals, Mathematics Day, Science day etc. Self government day is conducted on the occasion of Teacher's Day with the students playing the role of teachers. All the activities on that day are completely organized by the students only. 3. Discipline, Patriotism and Social Service through NCC and NSS: improves the spirit of unity and courage, confidence, self reliance, patriotism among cadets. "Cashless Rally", collecting donations for "Blind Association". Their services were appreciated by the Chief Minister of Andhra Pradesh for their contribution in the Krishna Pushkaralu for Safe Guarding the public, serving old people, traffic control, etc. 4. Active participation in co-curricular activities: Students participate in activities like quiz, seminars, essay writing, elocution etc. organized in connection with National Festivals, Teachers Day and Annual Day. Students are encouraged to participate in activities like National Level Competitions organized by different institutions, these activities include Oral Presentation, Poster Presentation, Essay writing, Role Play, Exhibit Your Model, Just a Minute(JAM) sessions etc. Students also participate in other programs like "Consumer Day" Celebrations. 5. Sports and Games: Students actively participate in institute level, university level, state level, national level sports and games competitions. Students won national prizes in games and sports. 6. Singing of National song and National Anthem, taking of Pledge is a daily practice in the college at the time of Morning and Evening Assembly. Celebration of Scientifically important days like birthday of Ramanujan, Jagadeesh Chandra Bose and other important days is a regular practice in the institution. 7. Most of the National and International important days are celebrated in the college with a motto to bring the awareness among all the students and public. 8. Club activities are regularly conducted in the departments to inculcate the habit of organizing the events both curricular and co-curricular. 9. Promoting Cultural Legacy: To promote the cultural legacy of the country the students are encouraged to participate in cultural activities organized by the institution and the cultural activities are helpful to extract the hidden talent from the students. It will nurture their talents and encourage them as professionals.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

All the Riches in the World Do Not Match the Wealth of Education 1. The main aim of this institution is to provide free and quality education to the rural talented students. Ancient Gurukul system is followed in the institute where there is close affectionate bond between students and teachers. 2. Institute gives admissions to the students belonging to the two States of Andhra Pradesh and Telangana on merit basis through an entrance test. 3. Institution is established to cater to the needs of rural talented students. Institution provides completely free education for 3 years with free boarding and accommodation facility. The institution is located near the banks of River

Krishna. It is located in a pleasant and peaceful environment. The college premises is full of greenery. The peaceful environment encourages the students to concentrate on their studies. This environment also helps the students to achieve the desired results in their courses. 4. Another Distinctive feature of the institution is 24/7 availability of staff to the students because all reside in the head quarters. Additional coaching is given to students beyond the class hours i.e., in the Supervised Study. Loco-parent maintains a record of bio-data of their Loco-ward. This helps the Loco-parent to mentor their Loco-wards keeping their interests in view as in the bio data. They are at liberty to discuss personal issues also with Loco-parents. This makes students feel secure and safe in the hands of staff even though they are far away from their parents and students feel hostel as the home away from home. Phone numbers of all the parents are given to Loco-parents and Loco-parent phone number is also given to parents. This helps a lot to check the welfare and progress of the student by both parent and Loco-parent. 5. Supervised Study is a daily activity in the institution. After the completion of Evening Assembly students sit in their respective classrooms upto 7.30 pm under the supervision of the staff members. Students can approach the staff for clarification of doubts. We conduct mock tests well in advance for the PG entrance examinations to various universities and the students have a continuous rapport with alumni. Alumni plays a vital role in extending their help to the students in all aspects - Career Guidance, financial support. The Ancient Gurukul System helps the students to achieve all-round development
