In PIE Chart

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

1.It's mandatory that examples are applied when teaching.

2.It is important to conduct opinion session from students on teachers teaching.

3.There is need of conducting demo classes for teachers about the technology improvisation.

1)Teachers are always monitoring the students while they in study hours ..

Respect the students goal and passion

Keep going on like this

Yes

Please provide lecturers

Provide some subject expert toy college

There are no suggestions

Good

No more suggestions

Provide the collage staff to my institution

No

Students with intellectual disabilities should be encouraged.

Any topic should be compared with nature and taught in a comprehensible manner.

I agree

Need regular faculty.

1.Digital learning

2.Improving communication skills

3. Conduct a career guidance program

No suggestions

To conduct online classes

1. Teachers are teach the syllabus only for the exam point of you not for the entrance are competitive this one absorb and some teachers are particularly guide only there like students not to all

Complete staff should be appointed

Arranging carrier guidelines classes

.

Yes

Faculty, lab equipment, best laboratory

Hiring new and qualified faculty. Due to insufficient lecturers' classes may not going properly.

Providing extra courses is very much important for student's growth. But college isn't offering many courses like other colleges.

Lecturers have the responsibility of taking care of students. Not 100% but they also have that.

There are no sufficient lecturers to handle the students so please check.

Nothing

Regular classes

Computer science subject not given in minor

Library is not open every day

Insufficient faculty in the college from some subjects

Hindi language not offering in this college

No extra circular activities

1. Give the good ideas for future
2. be friendly with students
3. good communication with English with students

Providing good faculty

No

Good management
Facility

Practical experience
Facilities related to subjects
Detail explanation

Have better management and coordination between the lectures as well as with students.

Good

First of all, they have to understand the student. And they have to know how to manage the students. Bcoz all students are not name the mindset is different so. They must have to take responsibility among the related subjects. Teacher must be coordinate with students. And also maintain preference for extra co-curricular activities. These me are my opinions amongst ur question

1. Recruit effective government faculty
2. please introduce advanced ICT tools in college.

Good. but encourage sports and cultural event's

Practical experience
Detail information
Communicate to students

Recruit good teaching faculty and recruit sufficient/ appropriate teaching faculty.

1. LACK OF INFRASTRUCTURE AND REGULAR LECTURES
2. IN THESE COLLEGE THERE IS NO BETTER OPPORTUNITYS AND POOR TEACHING
3. THERE IS NO PROPER GROUNDS, LIBRARY, GYM, TOILETS, HOSTEL ROOMS
4. MESS FOOD IS VERY BAD

Give regular faculty. permanent the guest faculty

01) The Lectures are the some of destructible to the student's life, because they are giving un necessary assignments and etc.
02) With this the students can't put their time on their career and goals and the limited time also spending on this assignments and projects works.

If I give suggestion what will you do? Nothing, so I don't give suggestion to you.

- 1) lectures are support us to improve the presentation skills through conducting seminars
- 2) they also gave their experience to us for Career guidance

1. Make students understand the topic.
2. Observe the students who are using mobiles or sleeping class time
3. Give more time for study the before teaching the class

Concept must be clear
Said about concept in detail

I used to like their lectures every time.

- 1) Please provide coeducation in my college
 - 2) What is Student interest please try to understand
- You have given freedom to students what they want to do in studies. don't give unwanted assignments and use less things ..

No comments

- 1) provide the competitive level books.
- 2) Sir implement our institution.
- 3) So many preparing the civils English and Telegu provide the that books also.

Good

There already have experienced persons....

Very nice

I DONT HAVE ANY IDEA BUT

.....

1. Very good experience in those institution.
2. And teachers highly motivated teaching.
3. very good suggestions teacher's on student's.

All the teachers are explaining lessons in English only

I think government facility is best

Infrastructure and few facilities

Practical experience, detail information,

Excellent

Increase faculty
Increase class timings

-1

1. Ground ledu
2. Workarsleru
3. Class rooms levvu

Better to implement teaching staff

Provide the teaching staff

Ground

Suggestion
Improve computer skills to students
Develop communication
Develop sports

Yes

No suggestion

Ask questions during the lecture time

No ground, no non-teaching, not regular teaching faculty hear

Teaching only in English

It's good ...but I don't have any suggestions.....tq

I want more knowledge

It's good teaching may be staff will be fulfilment of teaching staff those all the classes

Ppt

Observation

Faculty and good infrastructure and quality food

Give some government faculty

Nice teaching

Excellent

Good

All good

Good

First In my point of view Half day is enough for Degree Syllabus and half day should be allowed students to prepare competitive exams so that they can find a way to settle down after degree.

Secondly This institution should allow students to utilise the resources like library and computer labs to improve their knowledge and skills. Finally, Teachers have to Motivate the students in reaching their goals and getting best out of them. Thank you.

Good

*Improve the faculty facilities to our college.

*Development of placement facilities in our college.

*Upgrade the course which to brighter the future of college and students.

1. Good experience in this college.

2. And good suggestions teachers on students.

3. In this college have the best faculty and every topic explains with that roots.

Change the faculty or train them properly

Good 😊

Good Teaching

Great Subject Knowledge

Improve some infrastructure

Teachers are friendly with students,

Teacher's provide required books for competitive,

They always provide computers lab

The necessary of recruitment of permanent faculty.

There is a lack of permanent faculty in our institution.

There is a meagre of encouragement by the lecturers to promote our innovative ideas and innovations.

All good

No Suggestions

Lesson tells well but encourage the Telugu medium students Telugu medium students understanding poor but teachers teaching is extent

- 1.Computer science is not given as a minor
- 2.Library is not opened every day
- 3.Reference room also not open yet.

Faculty not available

No suggestion

No

Good Faculty, laboratory and a good

facilities not available

Sometime poor

1. Faculty not available in college so respond in this issue
2. Teachers must be use Textbooks to teach students

Please provide reference library and Faculty in my College

To modify the teaching staff

To provide all subjects faculty

need faculty to follow up level increasing

It is very good

Excellent

Always ok

Good faculty, good classes and maintaining

In my college faculty members are not enough

Use better graphics and visual media to engage students well. ...

2) Try to reach every student and ask for their doubts. ...

3) Make teaching a two way interaction.
